Feedback from Year 2 Pupil:

'I like using the SHLink, there's lots of things you can do with it'

Ideas given for use of SHLink:

- Number Sentences (e.g. $8 \div 10 = 0.8$ or $1 \times 3 = 3$)
- Use connectives to make longer sentences
- Make up a maths game and use a number line
- Write out the adverbs/verbs and talk about them

Feedback from Year 4 Pupil:

'I think it's great! I have enjoyed using it. You could: write stories and display them; use it to help you learn spellings; practise your hand writing; put up your pictures of what you like'
